

**Volunteers needed**

# Help support a bird-friendly campus

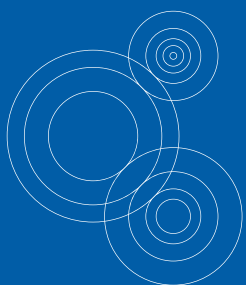

*Join the UBC Okanagan  
Bird Collision monitoring  
project for Spring 2024*

The Sustainability Office is recruiting volunteers from the campus community to monitor bird impacts on buildings in April and May.

## How can you help?

- Walk around select campus buildings two to four times a week, for 30 minutes
- Report bird strikes observed

Your input will help to inform and support UBC's Bird Friendly Design Guidelines for Buildings.
